# ROUND LED DRIVING LAMPS

with integrated front position lamp

This new Round LED Driving Lamp is fully approved as a Main Beam Headlamp (ECE R112), with additional Front Position LED Halo Ring (Approved ECE R7).

This tough and durable driving lamp has been tested and rated to IP69K - ensuring it is protected against high pressure jet wash.

The powerful white beam effectively illuminates the road ahead, hugely increasing driver safety when visibility is low.

Featuring 12/24V versatility and a two year warranty, these driving lamps are available in two sizes; 9" and 7".
